Dear Parents and Guardians,

We are in the midst of global lock down due to Covid 19 Pandemic. This Stark reality is affecting all of us and is causing untold pain, anxiety, fear and economic crisis to the nation and the world at large. We would like to express our solidarity with the victims of Covid 19. Let us pray that the Merciful God show His mercy and compassion, and heal the world, so that once again we begin a new life of love, mercy and harmony with all our brothers and sisters.

Let me now bring to your notice a few important issues for your immediate attention regarding the school fees and important matters pertaining to the students.

**School Fees.** Keeping in mind the financial situation of the parents due to Covid 19, the school management has decided not to increase the school fees for the academic year 2020-21. **The fees will remain the same as that of last year (2019-2020). The fee structure is uploaded in the website as well as at the end of the circular for your reference.**

As a sign of solidarity with the suffering humanity, the management has decided to defer the payment of the first quarter fees (April, May, June) till the lockdown period is over. There is no compulsion to pay right away, however, those parents who like to pay the 1<sup>st</sup> quarter fees right away, may use the online option as per the details available given below:

**Kindergarten (K.G) – Account Holder Name:** Sophia KG Section**Account Number:** 47760100008415**IFSC Code:** BARB0BANWAS (Zero)**Bank Name:** Bank Of Baroda**Branch:** Banwas, Dist. Jhunjhunu 333 516**Classes I to X - Account Holder Name:** Sophia Secondary School Khetri Nagar**Account Number:** 47760100008422**IFSC Code:** BARB0BANWAS (Zero)**Bank Name:** Bank Of Baroda**Branch:** Banwas, Dist. Jhunjhunu 333 516

**After making the payment please send the Payment Receipt on WhatsApp number : 8000558460 with Student's Name, Class and Registration Number.**

Since the management has to pay the salary to the teachers and other staff of the school during the lockdown period, we would highly encourage all those who can pay the fees right now, please do so as it would lighten our financial burden. The others will pay the first quarter fees once the lockdown period is over **without any late fee charges.**

**Online classes** are started for the children of all classes. The syllabus and the examination time table will be framed keeping in mind the present scenario and the available number of working days without burdening the students. Such decision can be taken only after the school reopens for the new academic year.

**Summer Holidays and Reopening of the School.** Nothing is certain at this juncture. We will wait for the Government notification regarding the summer holidays and reopening of the school. Accordingly the school management will issue further instructions.

Children may be happy to spend time with you, let us work together, to give the best values and to form them as good and responsible citizens. We continue to support you by our prayers. Thanking you for your kind co-operation and timely support.

God bless you.
